

WAC 296-17-765 Classification 7203.

7203-00 Community service workers

Applies to individuals who are sentenced to perform community service work for a state agency, county, city, town or nonprofit organization as the result of a court order. The "workers" perform various services for benefit of the agency or organization. These services may range from clerical office or counseling duties to maintenance or construction work. The type of work performed has no bearing on the assignment of this classification. The workers are not compensated for their work; instead, they are allowed to perform these services in lieu of imprisonment.

Special note: This classification is assigned only if the agency or organization for whom the service is being provided elects to cover their community service workers (RCW 51.12.045).
